

LifeDesign Pre-Class Information
Discovering My Mission

Please fill out and bring to Class 401.

We are looking forward to what God is going to do both in us and through us as a church family in Class 401. On behalf of the church leadership, thank you for your willingness to seriously consider the Mission to which God has called you. Would you join me in praying and preparing as you complete this pre-class material.

Greg Lane
Pastor of LifeDesign

My PRAYER, CARE, SHARE PEOPLE

God is passionate about saving people from sin because He loves them. He has placed individuals in my life whom I can impact by prayer, by care and by sharing the good news. Before attending Class 401: *Discovering My Mission*, please take a few minutes to identify at least three people (you may not even know their names yet) and begin praying for them in anticipation of what God is going to do.

1. Consider the people...

Who live next to you and across the street or the hallway.

With whom you work or go to school.

Where you regularly shop or work out.

Who are your friends or family.

Who are part of your social groups like Little League, Soccer, Painting,

Square Dancing, Car Club, Rotary, Chamber of Commerce, PTA, etc

Whom you used to know like child hood friends, classmates from high school or college, former co-workers, etc.

Who seem unlikely to respond to your care and concern.

2. Then answer the following questions about them in the spaces provided below:

What are they concerned about?

What are they interested in?

What do they spend time doing?

What is their background?

What are their convictions or commitments?
