

# Description of Ministry Teams

**Audio / Video Team**— This team video tapes most of the Junior High events. They make highlight videos (for the rest of the Junior High and sometimes the rest of the church) of what happened at those events. Video team also makes promos for upcoming events and sometimes even video drama and skits! They manage the soundboard, lights, power point and video presentations during services and events. Basically they run all the behind-the-scenes stuff that help events go smoothly, including the set-up and tear-down of the sound equipment on Sundays and Wednesdays.

**Hospitality Team/Administrative Team**— This team's chief goal is to help everyone feel welcome to the JH Dept. at Emmanuel Faith. Things such as greeting people as they come in, making announcements up front, decorating the room, helping plan and run events and help connect new folks with students and leaders.

**Missionary Team** — This team helps keep the Junior High group informed about our missionaries! Missionary Team will be doing presentations up front as well as things like sending birthday cards to the missionary children and help make or send Christmas presents to the family. The Missionary Team also gets the Jr. High excited about collecting money through offerings or other means to help support our Mexico House Building Project.

***Overdrive*** - *This is our praise and worship band made up of Junior Highers and some leaders. Their job is to help lead the Junior High group in praising and worshipping God through music! Singers as well as any kind of instrument players are needed.*

**\*\*Drama Team** - **This team will make skits for videos to be enjoyed by others and will be impromptu, spontaneous and creative.**

**\*\*Art Team**— This team offers the chance to use your artistic talents (or lack thereof) to glorify God! Not an artist? No problem! Join this team to help build some artistic talents to serve the Jr. High and other parts of the body of Christ through art!

***(\*\*We do not have an adult Leader for these teams. If one is found, we will form this team.)***

By turning in an application you are making a commitment to the Ministry Team and demonstrating that you trust God and are willing to serve wherever you are assigned.

**Please write number 1, 2 and 3 next to your top three choices.** You will learn which team you are on at the first official meeting. Please remember that this is your opportunity to serve in the Jr. High; whether you receive your 1st choice or your 3rd choice. The exciting thing is that you've made an awesome commitment to serve God!
