

Surrendering the Secret

Surrendering the Secret is an 8-week closed group designed to bring women together who have faced an abortion in their past. Millions of women silently carry the pain and heartbreak of a previous abortion alone.

God desires to heal all of His children from our past and set us on a course toward the abundant life He has planned for us. Surrendering the Secret leaders are women who have been trained to minister to other women who are hurting from the pain of a past abortion. We provide a safe and confidential environment that facilitates healing and restoration.

Depending on the size of the class there will be one or two leaders. If the class has only one leader, she will be a woman who has an abortion in her past. Classes are generally small in size so everyone will have a chance to be heard. If this is something you are interested in you can contact Tammy De Armas at 760212-2197.

You can also call alternatives womens center at 760741-9796. Your inquiries are confidential.
