

# FAMILY DINNER EXAMEN DISCUSSION

## Awareness

---

Spend some time as a family going around the table and sharing about the ways you saw God today.

When did you sense his presence?

When did you see his fingerprints?

How did you see him at work?

## Gratitude

---

Go around the table and share one thing (or more) that you are thankful for.

Gratitude is a great practice in times of uncertainty and chaos.

## Review

---

This section is a little bit more vulnerable. Think back over your day and think about interactions you regret or opportunities you missed. Share those with your family and how you want to live differently tomorrow.

FINISH: PRAY FOR EACH OTHER
