Sunday Mornings

9am | Chapel

10:45-11:55 AM | Amphitheater

Our Goal: Sunday mornings, we are striving to help students explore their faith and engage in authentic community. We do this through worship, biblical teaching, and discussion in life groups.

Wednesday Nights

6:30-8pm

Amphitheater

Our Goal: Wednesday nights we desire to create a space where students can explore their faith and how it relates to their lives through relevant biblical teaching and creating safe spaces to ask questions for believers and skeptics alike.

What's New

Wednesday Nights we will start with a time to hangout and grab pizza with friends. This gives those coming from sports time to get to church and dinner when they arrive (\$3). Around 7pm, we will begin our service with worship and then talk about topics that affect real life and how the Scriptures speak to them.
