# Joining Jesus' MISSION

***"Go and make disciples of all nations." (Matt. 28:19)***

Jesus' command to his disciples launched a worldwide movement of disciples who make disciples in every people group, until there are disciples of Jesus everywhere.

The breathtaking scope of this global vision is rather audacious if you consider that Jesus was speaking to a motley crew of 11 very ordinary Galileans. These men never traveled more than 100 miles from their homes in the deep backwaters of the Roman Empire. They had no position, no power, no funding, not even a map with "all nations" on it (certainly not the USA).

And yet, here we are! 2,000 years later and 7,600 miles away we are living proof that Jesus' plan to save humanity is in fact working! If you are a follower of Jesus today, it is because 100+ generations of disciples made disciples who made disciples of all people groups... including yours. Let that sink in for a minute.

From the day our church was founded in 1939, EFCC has played a key role in continuing this generational and global mission. We stand today on the shoulders of hundreds of ordinary people who have been sent by EFCC to do extraordinary things. They have not only impacted the world but also deeply shaped us as a church community. EFCC continues to be a church Sent in Love...

**Across the Street and Around the World.**

Our prayer is that as you explore the different areas of EFCC's Global Outreach ministry, you will be encouraged to see what God is doing through our church in many nations around the world and that you would be equipped and empowered to see what God can do through you as you join Jesus on His mission!

*In the Way of Jesus  
With the Heart of Jesus*

# Sharing the **MESSAGE**

*4 out of 10 people on our planet will live their entire lives **without ever hearing the Gospel.***

EFCC's global outreach is laser-focused on changing that by concentrating our efforts on taking the Good News to the most Unreached People Groups around the world. We are making the message accessible to millions of people in North Africa, the Middle East, Central and East Asia.

## **EFCC missionaries and partners are...**

Translating and printing the Bible for tribes in Papua New Guinea

Creating audio and video content in Arabic for North Africa and the Middle East

Producing television programming for Japan, Taiwan, and China

Sending satellite broadcasts directly into homes throughout Iran

Sharing the Gospel on social media platforms throughout China

# **Sending** **MISSIONARIES**

The Message needs Messengers who are willing to deliver it.

**The EFCC Outreach Fund currently supports more than 70 missionaries who are taking the Gospel to the least reached people groups around the world.**

We send our best to pioneer new work, mobilize and train leaders, build strategic partnerships and foster indigenous Gospel movements. We also help send South American missionaries to North Africa, Chinese missionaries to Central Asia, and Middle Eastern missionaries to Europe. Jesus' disciples are the most global and diverse community on the planet today and missionaries are now being sent from everywhere to everywhere!

# Supporting MOVEMENTS

God is stirring up new movements of small, indigenous and rapidly multiplying churches in some of the most hostile and unlikely places. As a result, more Muslims have come to Christ in the past 14 years than in the past 14 centuries combined! Thousands of small village churches are multiplying across India despite persecution. On any given Sunday, there are more believers meeting in Chinese underground churches than in all of the cathedrals of Europe! Young people in Islamic North Africa are being disciplined through sports. Groups of disciples, led by women, are secretly worshipping in Iran. God is truly doing something new and EFCC is prayerfully partnering with indigenous leaders to help foster powerful Gospel movements in 22 countries.

# Showing MERCY

As Jesus' disciples, we seek justice, we love mercy, and we walk humbly into every circumstance. We are moved by compassion to care for those who are suffering, to stand for those who are being oppressed, and to defend those who are vulnerable. Through one act of loving service at a time, and one changed life helping to change another, we bring Jesus' Kingdom here onto earth.

## **Through the EFCC Outreach fund we help:**

- ... rescue vulnerable children from human traffickers in India
- ... provide aid and education to hundreds of Syrian children in Lebanon and Jordan
- ... welcome refugees and help them find safety in the Middle East, Europe, and here in San Diego.

# Your MOVE

Every disciple of Jesus is sent with the same promise of power and presence that turned the small group of terrified Galileans into world changers. The question is how we will continue to write new chapters in this story, both as a church community and each one of us individually. It's your turn to join in on what Jesus started.
