INTRODUCTION

Hi EFCC Family!

Happy New Year! Our regular programming is starting back up after the holiday season. As a church, we're passionate about helping people learn to live in the way of Jesus with the heart of Jesus. Regardless of where you're at in your spiritual journey, there's a way for you to take a next step. As you read through this guide, the goal is not for you to do everything; the goal is to prayerfully consider how Jesus is inviting you to grow and connect with other followers of Jesus, and then make a commitment to get plugged in.

We're praying that these next months will be filled with spiritual growth and meaningful connections. My hope for every person who calls Emmanuel Faith their church home will choose to get involved in some way.

It's a joy to be on the journey with you! Please reach out to our team if you have any questions or if we can serve you in any way.

Grace + Peace,

Ryan Paulson
Lead Pastor
