Corinth AND Christ
1 Corinthians 1:1-9
Ryan Paulson, Lead Pastor

The church is **firmly grounded** in the world, but **faithfully living** in the kingdom.

- We are called to **live out** what God has **put in**.
- Understand that God's grace empowers us **to be effective**, not to **escape**.
- Trust that God is **faithful** to his faltering **church**.

A **chaotic world** needs a **confident church**!
