**Getting to Know Each Other Better**

1. Do you generally like to do self-assessments and self-analysis to see where your weaknesses or blind spots are? Why?

**Renewed by Grace/Equipped as Disciples**

Read 1 Corinthians 3:18-4:14a

2. Ryan made the statement that *the life we crave is on the other side of the honesty we fear*. As you look back over the course of your life, how have you seen this to be true? Can you think of seasons of growth which came about after you got honest with yourself about things which were true of you, but which you didn't necessarily want to admit?
3. There are four points of deception which Paul points out. Review what they are. Which of them seemed to raise the most response in you (indicating that it might be something you need to address)? Why do you think it (or they) brought about an internal reaction? What would it mean to work on this, or these, areas in your life?
4. Which of the three *pathways toward honesty* seem to be most apropos for you to work on this week? Why?

**Sent in Love**

5. What is one way you will apply the text this week?
