1 Corinthians 10:1-22  
Ryan Paulson, Lead Pastor

A lesson from history: God's **provision** positions us for **faithfulness**, but we must choose **obedience**.

1. **Idolatry**
2. **Sexual immorality**
3. **Testing God**
4. **Complaining**

***Principles for success:***

- Be **careful** but remain **confident**.
- Understand that **escape** is often the way of **endurance**.
- Know that **participation** can create **a union**.

God's desire for our **obedience** flows from **jealous affection**.
