***Culturally Sensitive, Biblically Grounded***

1 Corinthians 11:2-16  
Ryan Paulson, Lead Pastor

Worship of Jesus must be **culturally sensitive** but **biblically formed**.

*Men and women are:*

→ Distinct in **gender** but **equal in function**.

→ Designed to **complement**, not **compete**.

→ Created for **interdependence**, not **independence**.

Accommodate **cultural norms** where possible, but never compromise your **biblical convictions**.
