Coffee for Esco Teachers

Teachers and staff at Pioneer Elementary School were surprised with free cold brew coffee and hand-written notes of appreciation from the Love Esco team. You can nominate another school or local group for a Love Esco surprise by visiting www.loveesco.org/nominate

Back to School Shoe Drive

Emmanuel Faith - you did it! This past month we collected **210 pairs of new shoes and 1,127 pairs of socks** for students in the Escondido Unified School District! These shoes and socks will be given to each school to assist homeless and under-resourced students.

EFCC On Mission... Around the World

Ministry Spotlight: Morocco

Morocco is comprised of 12 regions with dramatically different characteristics, from vast coastlines, jagged mountain ranges, epic desert sand dunes, thriving modern metropolises and ancient cities of heritage, culture and color. Some of these regions are actively being engaged with the Gospel;

others remain largely unengaged. **Pray with us that this would change!**

Emmanuel Faith global workers are committed to saturating Morocco in prayer and seeing gospel movements take off across the country. They want every single person in Morocco to have access to a growing, multiplying church within walking distance of where they live. From the bustling metropolis of Casablanca to the tiny three house village in the High Atlas Mountains. Bible distribution and missionary activity remains illegal in Morocco, but with the rise of social media believers creatively share the gospel and connect for fellowship.

Pray that Moroccan believers will boldly share their faith with their friends and family!

Morocco at a Glance...

Population: **36.8** million people

Religion: **99.6%** Muslim

Unreached People Groups with Morocco: **27**

Annual average born without access to the Gospel: **673,400**
