"What are notifications, and why do I want them?"

Notifications are an awesome way to connect with the church! From time to time, we'll send information to the App that you've told us is of interest to you. You can select as many or as few as you'd like and you can change your selections at any time.

(4) The next screen will ask you to create a profile or sign in. Just tap that button and then enter your mobile phone number. You'll be texted a code to either create a profile or sign in.

(5) Once your app is activated, click on "About our App" to learn more!
