Small Group Questions

Icebreaker

1. If you could only eat one food for the rest of your life, what would it be and why?
2. What meal did you regularly share as a family growing up?

Discover the Way of Jesus.

(Every week in these studies, we will ask questions about the scriptures that try to help us Discover the Way of Jesus in the text. And we can do this even when we are studying the Old Testament, even though at times, we will need to do some digging to discover what is different between then and now.)

3. Review Mark 14:3-9. What makes *waste* idolatrous and what *shifts* waste into worship?
4. How does sacrifice break the chains of the scarcity mindset (the “*not enough*” or “*I could never*” mentality)?

Nurture the Heart of Jesus

(This is the part of the study where we start asking: “How can I learn to love the things that Jesus loved?”)

5. Share an experience that demonstrated to you that God was better than bread and more important than grain (Deuteronomy 8:3).

6. What fears prevent you from believing that “you have exactly what God wants you to have?”

Act for the sake of Others

(This is the part of the study that we ask, “What would God want us to do because of this passage?”)

7. How has God provided for you through the generosity of others?
8. What actions can you take today to live out a lifestyle of generosity towards others?
