Discover the Way of Jesus

(Every week in these studies, we will ask questions about the scriptures that try to help us Discover the unique Way of Jesus that is found in the text.)

Begin by trying to remember the Sermon Outline from Sunday:

True life is received when “_____” meets the great “_____.”

I am not

→ _____ your _____

→ _____ your _____

→ _____ your _____

I AM

→ Provides _____

→ Gives his _____

Life's _____ is found in _____ to Jesus.

(In case you get stuck, click this link for the filled in outline: [Who Are You? - outline](#))

3. What things did John the Baptist make clear about himself? Why is this important?
4. Read John 10:10. Jesus came to bring life and life abundant! Have you experienced the contrast of this verse? How is it that the thief steals, kills and destroys? What is

God's beautiful design for the believer in Christ? Use Scriptures to support your answer.

Develop the Heart of Jesus

(This is the part of the study where we work on our own hearts. "How does my character need to grow and change because of this passage?")

5. We can often seek the approval of others for validation and affirmation. What is the warning of Proverbs 29:25?
6. In what ways does social media promote a focused attention on self? How do you combat that?

Deploy for the sake of Others

(This is the part of the study that we ask, "What would God want us to do because of this passage?")

7. John the Baptist raised his voice to point to Christ. What are a few ways we can point people to Christ in our everyday conversations?
8. Share a practical way you have learned to overcome your fear of sharing your faith with others.
