# EARLY CHILDHOOD

## *THE WIN*

The early childhood team has a very crucial part to play in seeing our goal accomplished. Here's what we think the win looks like for early childhood volunteers . . .

EARLY CHILDHOOD VOLUNTEERS WIN WHEN THEY HELP KIDS FEEL WELCOME WHILE LAYING THE FOUNDATION OF THE GOSPEL.

If you want a child to love coming to church (and you want their parents to love bringing them), then it's so important for our early childhood volunteers to show up consistently. That's because children feel connected to familiar and trusted adults. There may be tears or tantrums, but there will also be giggles and high fives. In this ministry, we do so much more than just hold and play with children — we plant seeds of God's love and truth in the hearts of little ones.

When our volunteers help children feel welcome, they lay a foundation where their faith in Jesus can take root and grow.
