October 22, 2023 LIGHT IN THE DARKNESS God Grief

John 11:1-44 Ryan Paulson, Lead Pastor

Disappointment with God is often the gap between what we **expect** and what we **experience**.

God's delays do not imply God's indifference.

1. Express your grief honestly.

2. Trust his heart of empathy.

3. Make faith your primary pursuit.

Healing was the **foretaste**, but salvation is the **fulfillment**.
