“The Heart of the Matter”
Jonah 4:1-11
Ryan Paulson, Lead Pastor

God isn't only after our **outward obedience**, he also desires our **inner transformation**.

- We carry **anger** instead of **acceptance**.
- We choose **comfort** over **compassion**.
- We extend **judgment** but receive **grace**.

Jesus doesn't just want to **save your soul**, he wants to **transform your heart**.
