Türkiye Trip Highlights

June 16 - 25

On the Aegean coast lies Izmir—once ancient Smyrna, one of the seven churches of Revelation and a historic center of Christianity. Today, much of western Türkiye has been without a Christian presence for over 1,500 years.

Lighthouse Church stands as a powerful exception. This vibrant community of new Turkish believers is deeply committed to discipleship and raising the next generation of church leaders.

The Emmanuel Faith team spent a week alongside them, witnessing bold faith. They met believers who encountered Jesus in dreams and others who sacrificed everything to follow Him. On Sunday, two young women stepped forward to receive the love of their heavenly Father for the first time.

God is moving in Izmir. These passionate Turkish leaders are bringing light to a long-dark region—and they need the prayers of the global Church as they carry hope across their land.

Trips are made possible thanks to your generosity. Scan the QR code to donate to upcoming trips.
