

Summer Camp Terms and Conditions

Deposits:

A minimum deposit of \$140 is required to submit my registration. This deposit is nonrefundable.

Selection Types:

I realize that in order to receive a discount packet or scholarship, I must choose that selection type under the "Selections" heading (if you would like to edit your selection type, do so now by scrolling up and selecting "edit"). If I did commit this attendee to complete a discount packet, I understand that we will not receive the discount unless my student completes all necessary work. Failure to do so will result in the discount amount being added to my bill.

No Refunds:

I understand and agree that camp fees are nonrefundable, except in the case of medical emergencies, awarded Campership, overage, completed discount packets, or as otherwise determined in writing by Emmanuel Faith Community Church, minus the nonrefundable deposit. The reason for this policy is that Emmanuel Faith has to commit to paying for each registered student. If a student signs up and then chooses not to attend, we are still responsible for those registration fees. However, any funds that Hume refunds on behalf of your student will be passed on to you.

Payment Schedule

Middle School:

I will pay the minimum payment by the following dates:

- **By May 20:** A total of \$480 must be paid toward camp
- **By June 19:** A total of \$890 must be paid toward camp
- For campers who submit an approved discount packet, the final total will be the reduced price of \$740.

Families are welcome to make payments in any amount and at any time leading up to these deadlines. Please note that payments will not be automatically charged on the due dates, so please make every effort to ensure that the minimum total is met by these dates, so the church has the funds to pay the deposits we owe to Hume.

If your student has received a scholarship and/or an approved discount, your total will differ. Please be assured that our registration system will automatically adjust your balance and will never overcharge once a scholarship or discount is applied. Dates to complete the full cost of camp based on my selection type.

High School:

I will pay the minimum payment by the following dates:

- **By April 15:** A total of \$480 must be paid toward camp.
- **By May 15:** A total of \$930 must be paid toward camp.
- For campers who submit an approved discount packet, the final total will be the reduced price of \$780
