Instructions for the Personal Bible Journal

The Gospel of John:

1. **Pray**-Ask God to help you focus and learn.
2. **Read the chapter first and then complete the journal.**
3. Come up with a 5 to 10 word summary for each of the 21 chapters of the Gospel of John (There are 2 examples at the start, one from Acts and one from the book of James so you can see how it's done.) Do not use any of the existing chapter titles from your Bible (or else you will have to do the book of Romans too!). These summaries must be your own. They are just like what we do on Sunday mornings during the summer creating Catchy Passage Summaries.
4. What do you think the key verse(s) for this chapter is (are)? **Write out the complete verse!**

Why did you choose that verse?
5. What are some repeating themes or words that you find throughout the chapter?
6. How can you apply to your life what God has taught you through this chapter?

P.S. Creating the 5-10 word summaries for each chapter is great practice for what we do on Sunday Mornings!

Great Job!

Next, attach (staple or paper clip) your 4 weeks of sermon notes from the church's main services. Then, turn in this packet to the JH ministry on a Sunday or Wednesday. All packets will be reviewed to be sure the "Key verse and why" section is handwritten, not just the reference - but the whole verse is written out, and be sure each section on every page is filled in. This packet is worth a lot of money after all, so give it a look through before turning it in to be sure you did not skip something and that you have done good work! Due July 6th, 2025.
