**Not So New. Not So Normal.**  
***Worship Is Our Weapon***  
Acts 16:16-40  
Ryan Paulson, Lead Pastor

We fight for **freedom** by raising our voice in **worship**.

- Worship **releases** God's **power** because it invites God's **presence**.
- Worship shapes us into **people of love** because it **reorients our heart**.
- Worship opens doors for **evangelism** because it amplifies our **message**.

**Worship** is our **weapon**!
