LIFE GROUP DISCUSSION QUESTIONS
INFLUENCERS
ACTS 4:1-22

Engaging with Each Other

1. What is a favorite memory from high school?

Engaging with the Scriptures

2. What do you think of the idea that the early church had no social power but gained significant influence? Does that excite you? Frighten you? Concern you? Inspire you? And what's one implication you can think of for how you live your life?
3. Three priorities were given in the message to show us how to chart a course forward as influencers. Remind each other what they are, and then spend some time discussing each one individually, using these questions to guide the way.
 - Why is this priority important for you to remember and practice?
 - As you look at this priority, what is at the heart of it?
 - What is one way you can practice it this next week?

Engaging the Scriptures with Life

4. We can't do everything, but we can do one thing. What is your "one thing" from this week's message that you will apply in your life this week?
